We Are Going Digital

Due to rising costs of printing and postage, the Winter Activity Guide will be the last printed brochure delivered to Midlothian homes. Residents may go online to www.midlothianparkdistrict.org and download a PDF version of the brochure or view it on Flipbook. Residents will be notified to remind you when the next activity guide is published and information is always available on our Social Media. If you do not have access to view the activity guide digitally, please call the park district at (708) 371-6191 to be put on a mailing list and we will mail you the activity guide when available.

4 General Information

Letter From the Executive Director, Edward Jung

Out with the old, and in with the new! 2023 has officially ended and a new year of possibilities awaits. From resolutions to bucket lists, may the year ahead bring you new beginnings and new experiences.

The Midlothian Athletic and Recreation staff have been hard at work to bring the residents new and exciting programs during the winter months. Whether your new year's resolution is to be healthier or more social, the ARC has something for everyone. Our indoor walking track, fitness classes, and fitness center can help you stay active during the winter season. Join our Lunch Club and meet new friends. Sign the kids up for Jump Fest to get their wiggles out and/or for Reptile Uproar to check out any and every creepy crawly creature one can imagine! Check out the various programs in this brochure and sign up before they fill up!

We are in the final stages of preparation of the park district's Comprehensive Master Plan. Once it is finalized and adopted by the Park District Board of Commissioners, the plan will be posted on the park district's website.

As always, we encourage you to share your ideas for programs and facilities with the Board and Staff. Board meetings are held every third Thursday of the month at the Athletic and Recreation Center beginning at 6:00 pm.

Board of Commissioners

The Midlothian Park District Board of Commissioners consists of five individuals who are elected by the community to represent the community's best interest. The charge of the Board is to set policies that will guide the park district. Board members serve a six-year term and receive no compensation for the time they give. They come from a variety of backgrounds, but share a commitment to serving the park and recreation needs of the community. The public is invited and encouraged to attend these meetings. The dates are posted at the Athletic & Recreation Center and on our website.

Program Information:

- **Parent and child classes** require a parent or caregiver to participate in the class. These classes are a good way to get children out and meet other children with their parents.
- **Toddler Classes** are perfect for children to get out of their house and meet new people for the first time without their parents.
- Parents or guardians are not allowed in any class unless specified in the class description. Parents tend to be a distraction to the child and it helps the child gain a sense of independence in a fun, controlled environment.
- Please do not wait until the last minute to register for a class. The longer you wait, the greater chance the class could get cancelled!
- Refunds of 100% minus a \$5.00 service fee will be made if notified before the registration deadline. This does NOT apply to trips, day camp or leagues. Please see our website for a full list of refund policies.
- We occasionally take photographs or video of participants for promoting/advertising. If you (or your child) wish to not be photographed, please let the front desk know. The full policy can be found on our website.
