Letter From the Executive Director, Edward Jung

As the summer draws to a close, and the weather begins to cool, it does not mean the excitement has to end! It has been great to see so many residents involved in the various programs and activities we were able to offer this spring and summer. Our concerts in the park were jamming thanks to My 80's Band and The Jaywalkers! In July we offered free family-friendly activities like Tae Kwon Do, Pilates, Zumba, and popsicles to celebrate the power of play and outdoor fun. Friends and family were able to kick back and relax while watching Monsters, Inc. on the big screen at Kostner Park. Our day camp and lunch club have seen an increase in participants looking to socialize and have fun.

While the weather may be changing, make sure you find the time to visit one of our many parks and/or by attending our events this fall and winter. The Midlothian Athletic and Recreation staff are determined to bring new programs to you while also putting a fun twist on a few old favorites. From youth sports leagues to fitness classes, Fall Fest, and day trips, there is something for everyone. Take a look in this brochure and see all that we have to offer.

The Midlothian Athletic and Recreation Center offers numerous amenities. Our fitness center features updated cardio equipment. During inclement weather, check out our indoor walking track to meet your fitness goals. We also have rooms available to rent for parties, social gatherings, holiday family get together, and business functions. If you have not checked out the ARC, I encourage you to stop by for a tour.

Lastly, we encourage you to share your ideas for programs and facilities with the Board and Staff. Board meetings are held every third Thursday of the month at the Athletic and Recreation Center beginning at 6:00 pm. Have a safe and joyous holiday season!

Program Information:

- **Parent and child classes** require a parent or caregiver to participate in the class. These classes are a good way to get children out and meet other children with their parents.
- **Toddler Classes** are perfect for children to get out of their house and meet new people for the first time without their parents.
- Parents or guardians are not allowed in any class unless specified in the class description. Parents tend to be a distraction to the child and it helps the child gain a sense of independence in a fun, controlled environment.
- Please do not wait until the last minute to register for a class. The longer you wait, the greater chance the class could get cancelled!
- Refunds of 100% minus a \$5.00 service fee will be made if notified before the registration deadline. This does NOT apply to trips, day camp or leagues. Please see our website for a full list of refund policies.
- We occasionally take photographs or video of participants for promoting/advertising. If you (or your child) wish to not be photographed, please let the front desk know. The full policy can be found on our website.

Folkloric Dance; Guerrero

Folklórico, a dance style with as much complexity, variety, and history as the country of Mexico itself. In this installment, we learn the Folkloric Guerrero! Nailing the basic footwork, or zapateado, is the first thing you'll learn as a folklórico dancer. Aside from the footwork, in many regions of Mexico, the manipulation of the skirt, or faldeo, is a key element for women. The length of the skirt, how high the dancer raises it, and the type of skirt work signal where the dance might be from. Additional purchase of shoes and a skirt is recommended by the instructor if planning to continue with this class in the future. This is a co-ed class.
